Sandy passed from this world into the next on 12/12/14.

Reiki was Sandy's devotion,
and she lived Reiki in all aspects of her life.
Her last waking moments of this life were spent
sending the seeds of Reiki to the world.

Sandy's illuminating spirit and empowering love of life
shined on all she met.

Her teaching continues...

Her light shines on...

Her love abounds...

Her humor ever present...

“Namaste, Y'all!”
